

AMSTERDAM CIRCULAR CHALLENGE

ACCELERATE YOUR CIRCULAR INNOVATION

Meet the coaches – André Struker

André studied Physics and Technology and Policy at the University of Technology in Eindhoven. He started his career as a consultant in the field of Energy savings and Renewable Energy at Ecofys. He became director of the Energy Agency *Amsterdam Reduces CO2-emissions*. Together with the city districts of Amsterdam, he stimulated and realized renewable energy and energy efficiency. During that time, he got his degree on Industrial Engineering and Management at the University of Twente.

At Waternet André works on strategic issues and integrated long term solutions within the water cycle. He develops policy and projects to upgrade waste water into new materials. From 2012 he also manages the R&D program *Waternet Climate Neutral in 2020* and from 2016 also the Corporate Social Responsibility Program. Together with the Port of Amsterdam and the waste to energy company AEB he started Clean Capital to upgrade waste streams.
